Dear Reverend Father and Parish Council,

The forthcoming Diocesan Assembly is scheduled for November 9th, 2010, at Holy Virgin Protection Cathedral, New York.

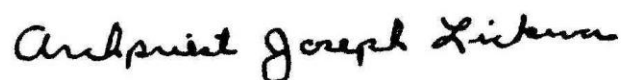

Throughout the history of the Church in America the cathedral has been a magnificent temple for the glorification of the Lord, the cathedral of Metropolitans and Bishops, administrative offices of the Church, and the setting of several Sobors. And now, it is significant that our new shepherd, His Grace, Bishop MICHAEL, will preside for the first time as bishop over an Assembly at this historic cathedral.

It is our prayer that you will respond to the call of our Lord and join His Grace and members of our diocesan family for the Assembly as we strive to give our past a future.

It has been the practice in the diocese that in order for the parish lay delegate/s to be seated at the Assembly, the parish assessment must be paid-up to date for the current year. If there are any questions about this, please contact His Grace in writing.

Details regarding the Assembly will be forwarded soon.

In Christ,

Archpriest Joseph Lickwar

Dear Reverend Father,

Since the Diocese of New York and New Jersey has been returned to its original boundaries, His Grace, Bishop MICHAEL, is calling for the election of deans for new diocese. During the Assembly, at a time yet to be designated, each deanery will meet separately for the election process. The election results will be given to His Grace for approval, and the deans will be installed along with other newly elected members to the Diocesan Council and representatives to the Metropolitan Council.

Your brother in Christ,

Archpriest Joseph Lickwar
