

Saint Andrew's Camp
is pleased to offer its first-ever

FAMILY RETREAT

for the 2020 season

With the Covid-19 health crisis impacting our world, and the New York region in particular, we are saddened that we cannot hold our traditional camping program.

But every cloud has a silver lining, and we are excited to offer a different way to be together this summer – a family retreat program!

WHEN

Option 1: July 27 – 31 (Monday-Friday)

Option 2: Aug 3 – 7 (Monday-Friday)

Because of high interest and demand, a third option may be made available during the second week of August

WHAT

4-night multiple family get-together, which includes indoor dorm-style accommodations (or a place to pitch tent if you like), meals, chapel services, religious education for both children and parents, kayaking, games, sports, and campfires.

\$500 per family
